

Media Release

October 16, 2008

On Friday, October 10, 2008, at approximately 5 p.m., Animal Control responded to 8th and Monterey Way in reference to remains of a domestic cat found by landscaping personnel. The remains were collected and preserved. A necropsy was performed by a Biologist/Fur Bearer with the Kansas Department of Wildlife. The cause of death was determined to be animal predication. The remaining cases are still under investigation. Anyone with information is asked to call the Lawrence Police Department at 832-7509 or Crime Stoppers at 843-TIPS.
