The image shows a software interface for a GE Player. The main window displays a nighttime surveillance video of a person running away from the camera down a narrow alleyway. The person is wearing a light-colored shirt and dark pants. The alleyway is illuminated by streetlights, and there are buildings on either side. The interface includes a channel selector (Ch4), a timestamp (IP31AM12:41:50 2010/07/29), a zoom level (100%), and playback controls (play, stop, pause, and a 4.3 aspect ratio button). On the right side, there is a 'GE Player' logo, a microphone icon, a 4x4 grid of 16 camera channel icons, and a Wi-Fi signal indicator.
